

## COMMON ENERGY ACRONYMS

ALJ	Administrative Law Judge	MWh	megawatt-hour
AMI	advanced metering infrastructure	NBC	non-bypassable charge
BIC	Business Issues Committee	NERC	North American Electric Reliability Corp.
BOE	brief on exceptions	NFG	National Fuel Gas Distribution Corp.
CEF	Clean Energy Fund	Niagara Mohawk	Niagara Mohawk Power Corp. d/b/a National Grid
Central Hudson	Central Hudson Gas & Electric Corp.	NOPR	Notice of Proposed Rulemaking
CES	Clean Energy Standard	NYCA	New York Control Area
CNG	Corning National Gas Corp.	NYCRR	New York Code of Rules and Regulations
Commission	New York State Public Service Commission	NYISO	New York State Independent System Operator, Inc.
CTC	Competitive Transition Charge	NYSEG	New York State Electric & Gas Corp.
DADRP	Day Ahead Demand Response Program	NYSERDA	New York State Energy Research and Development Authority
DCR	demand curve reset	NYPA	New York Power Authority
DEC	New York State Department of Environmental Conservation	NYSRC	New York State Reliability Council, L.L.C.
DEP	New York City Department of Environmental Protection	O&M	operation and maintenance
DR	demand response	OATT	Open Access Transmission Tariff
DER	distributed energy resources	OC	Operating Committee
DG	distributed generation	OSG	on-site generation
DLM	dynamic load management	OSW	offshore wind energy
DPS	New York State Department of Public Service	PFJ	Power-for-Jobs
DSIP	distributed system implementation plan	PPTPP	Public Policy Transmission Planning Process
EAM	earnings adjustment mechanism	PRLWG	Price Responsive Load Working Group
EC	executive committee	PSL	New York Public Service Law
EDP	economic development power	RD	recommended decision
EDRP	Emergency Demand Response Program	RDM	revenue decoupling mechanism
EEPS	Energy Efficiency Portfolio Standard	REC	renewable energy credit
EP	expansion power	RES	Renewable Energy Standard
ESCO	energy services company (marketer)	REV	Reforming the Energy Vision
ESR	energy storage resources	RG&E	Rochester Gas and Electric Corporation
ESPWG	Electric System Planning Working Group	RGGI	Regional Greenhouse Gas Initiative
EV	electric vehicles	ROE	return on equity
FERC	Federal Energy Regulatory Commission	ROS	rest-of-state region
GRC	NYS Gas Reliability Council	RP	replacement power
ICAP	installed capacity	RPS	Renewable Portfolio Standard
ICAP WG	Installed Capacity Working Group	RNY	Recharge New York Power
IRM	installed reserve margin	RTP	real-time pricing
kW	kilowatt	SAPA	State Administrative Procedures Act
kWh	kilowatt-hour	SBC	system benefits charge
LBMP	location-based marginal pricing	S.C.	Service Classification No.
LPP	leak prone pipe	SCR	special case resources
MC	Management Committee	SIR	site investigation and remediation
MI	Multiple Intervenors	Staff	New York State Department of Public Service Staff
MIWG	Market Issues Working Group	T&D	transmission and distribution
MW	megawatt	Upstate Utilities	Niagara Mohawk, Central Hudson, NYSEG & RG&E
		VDER	value of distributed energy resource
		ZEC	zero emission credit
